Manning, S.C. 29102

Dear Ed,

We tend not to think much about medical care until we are faced personally with an emergency, knowing this is the worst time to try to make decisions. Having been faced with just this situation has given me a true appreciation of our Clarendon Memorial Hospital.

I received the best of care from the moment of arrival at the E.R. until I left the hospital. All staff in all areas reacted with true professionalism and kindness.

We would like to take this opportunity to thank the leadership for having grown this hospital into a facility second to none and providing personalized, caring and helpful staff throughout my stay in our local hospital.

Thank you Clarendon Memorial Hospital.  
Donald Hardy
