Ed Frye  
Chief Executive Officer  
Clarendon Health System  
10 Hospital St.  
Manning, S.C. 29102

Dear Mr. Frye,

I think Clarendon Memorial Home Health is the best! Thank you for your excellent and compassionate care. This is a great service to the community, and I hope it will always be available. Shana Coker is the best nurse and makes herself available night and day. My family and I appreciate her kindness. I don't know what we would have done without Clarendon Memorial Home Health. Thank you for all that you do.

Sincerely,

Edith Richburg
